Our 1986-87 Hawkins Hawks football season was full of excitement. It started in August with the drug testing which proved that the Hawks are drug free and ready to play. We faced an unfamiliar district made up of Troup, Arp, Winona, Big Sandy, Frankston, Overton, and Union Grove. We had a bad season opener, but fought strong and held together through the season to prove that we are worthy of the Hawk Tradition. We had a good start at district play winning all but one of the games, when we had to face the undefeated Frankston Indians. Our Hawk pride helped to win a tough game by the score of 13 to 12.

The next week we traveled to Overton to play the Mustangs. Winning this game would have made us District Champions, but losing it caused us to stay home during the playoffs. The Mustangs took an early lead, but missed their extra point. We fought back by scoring. Then we drove the ball down the field hoping to score the game winning touchdown. But all of a sudden, luck took a drastic turn for the worse, causing us to lose. The next week we closed our season victoriously over the Union Grove Lions. Our record was 7-3.

We, the 1986-87 Hawks, have given it our all. One might say there is always next year, yet for most of the seniors this is the last, but one that will never be forgotten . . . . . *Steve Medlin*

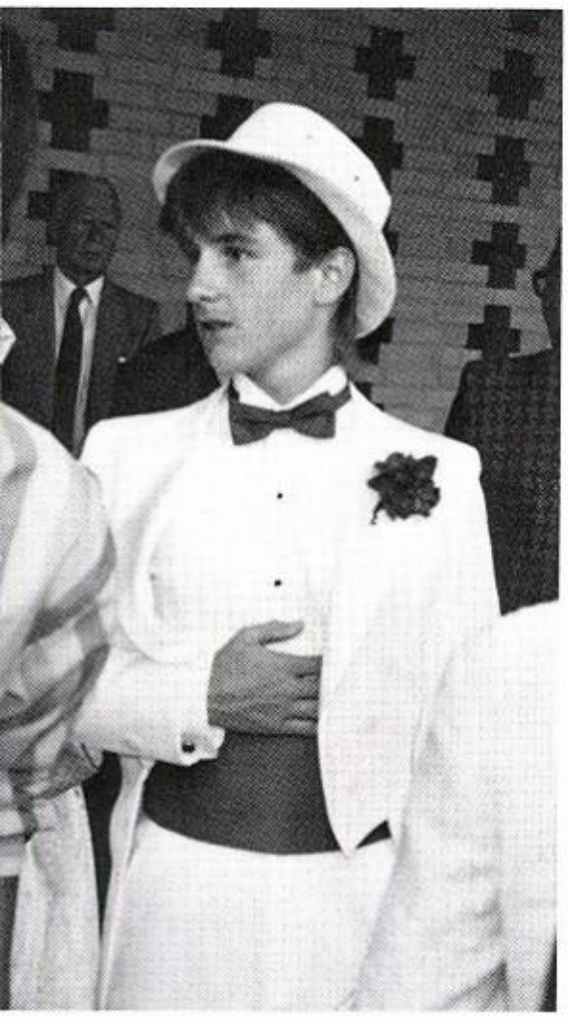
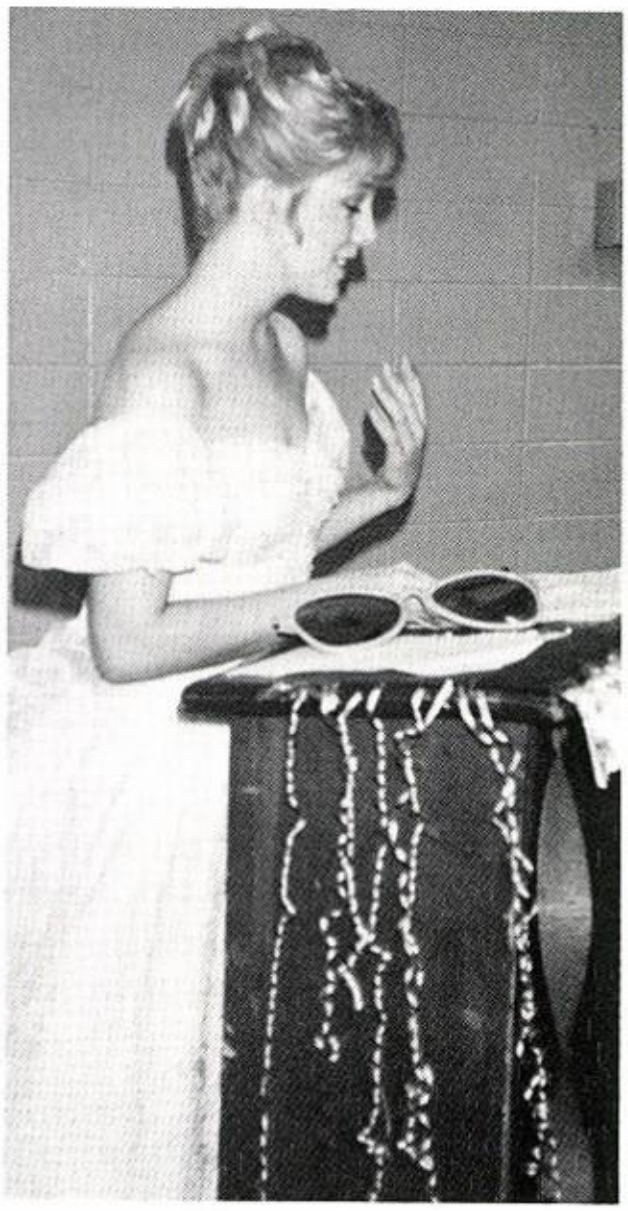
A Night To Remember

That's how the eighth graders will recall their graduation night ceremonies. Certificates and awards were handed out at the graduation exercise which was followed by a banquet honoring the eighth grade. Acting as masters of ceremony for the entertainment were Jennifer Erickson and Darren Colburn. Announcing class favorites and special awards to teachers livened up the celebration. Also providing a special touch to the evening was an original poem by Nicole McQuaid and a piano solo by Heather Iglesias.

It's Finally Over-
Looks Like We Made It!





It's hard to tell who is most relieved that the final day arrived-the students, teachers, or maybe it's the parents!
